

**2019 Rural Women in
Business Conference
Sponsorship
Opportunities**

Hello Rural Women in Business Conference Sponsors:

2019 will be our third Annual Rural Women in Business Conference, and our committee is hard at work making the full day event a great success. At our inaugural year in 2017, the Rural Women in Business Conference saw 100 Women Business Leaders and Entrepreneurs join us at the conference for a great day of guest speakers, workshops, and inspiration! At our second year in 2018, the Rural Women in Business Conference saw 140 Women Business Leaders and Entrepreneurs. On Wednesday, May 29, 2019, with the move to a larger venue we anticipate playing host to more than 200 women keen for inspiration.

As of November 2018 we have booked our venue and are actively exploring options with Keynote Speakers and Workshop Offerings. As a potential sponsor we welcome your input on guest speakers and workshops that would bring maximum value to your 2019 sponsorship. Get your message in front of more than 200 Women entrepreneurs and contact Nicole today to book your 2019 sponsorship.

Financial support from sponsors like you helps keep ticket prices low and allows us to attract women entrepreneurs from all around the region. As a sponsor, you will get advertising exposure to 200 entrepreneurs and business leaders, advertising through our website (including a link back to your website), social media recognition, an opportunity to address the audience, and more recognition during the event!

Thank you for considering this request; we cannot put this event on without the support of our valued sponsors.
